upgrades

Money increase potato sell value by 10%.

Farm space +1 farm slot.

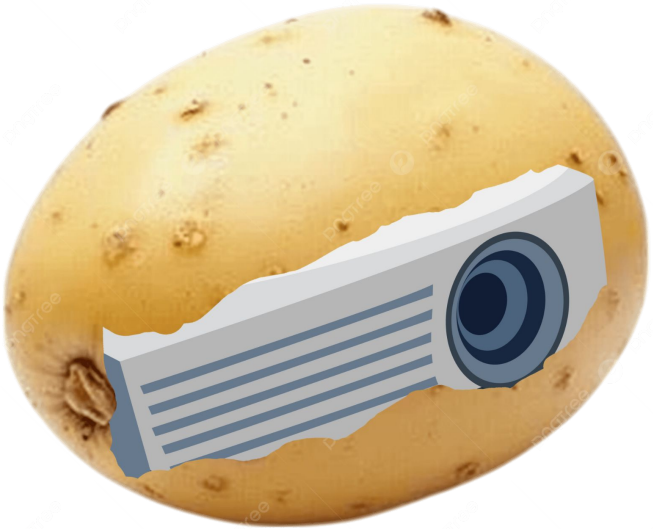

Growth speed increase 10%.

Unlock new potato seed normal, shadow, majic, golden.

Knowledge upgrade Projector comment rate halftime by 2 per upgrade

Provision projector jumpscares form 150 min to random second amount .1-100 to 99 to 98 degrees by one to 1

Projector steals comments jumpscares

The devs are awesome sauce

You are lame o juice

stuff

Show texters

Make a potato pop up instead of text

Add projector and shadow update

Projector skins

later

Ahmenivts for each potato

Getting started for basic

Unseen for shadow

Gilsing for golden

Abracadbra for majic

Into the abyss for abssal
Ewww for moldy
Socrey for dark majic
Wow shiny for mythic
Make projector say achemnets
later
Projector lines
 On selling
 Moldy: that is against the ffa rules
 Normal: so cheap
 Shadow: gilching the games isnt okay this can't be sells (then play jumpscare)
 Majic: what scorey is this
